SUMMARY

Skilled in various technologies and seeking an entry-level role to apply and expand my strengths. A quick learner with strong communication and problem-solving skills, I'm eager to contribute to meaningful work and drive impactful results within a collaborative team.

EDUCATION

- **SSLC (10th Grade)** – SGSS Hegdekatta, 2020 – 86.6%
- **PUC (12th Grade)** – Marikamba PU College, Sirsi, 2022 – 85.0%
- **Bachelor Of Computer Application**– JSS CACS, Mysore, 2022–2025 – CGPA: 7.92
- **Master Of Computer Application**-N.M.A.M Institute Of Technology, Nitte, 2025 – Present – CGPA: 8.02

TECHNICAL SKILLS

- **Languages:** Java (Proficient), C (Intermediate), Python(Basic)
- **OOP** : Strong understanding of Object-Oriented Programming (OOP) principles – Encapsulation, Inheritance, Polymorphism, Abstraction
- **Backend & Database:** REST APIs, RDBMS (SQL), MongoDB
- **Frontend:** HTML5, CSS3
- **DSA & Problem Solving:** 100+ problems solved across LeetCode and Codeforces
- **Tools:** SpringBoot, GitHub, VS Code, Postman, Wire Shark, Burp Suite, NMAP
- **Others:** Basic knowledge of Vulnerability Assessment, Penetration Testing

PROJECTS

- Developed **“Foodsy”**, a full-stack e-commerce platform delivering real-time menu browsing, dynamic cart management, and secure checkout workflows using **Java**, **Spring Boot**, and **MySQL**, and implemented **Spring Data JPA** for optimized relational data mapping with automated inventory tracking and user authentication.
- Developed **“SocialConnectApp”**, a full-stack networking platform delivering real-time user interactions, secure JWT-based authentication with refresh tokens, and dynamic content feeds using **Java**, **Spring Boot**, **Spring Security**, and **Maven**.
- Engineered **“SRMS”**, a specialized web application delivering real-time academic data tracking, automated grade calculation logic, and dynamic result visualization using **Java**, **Spring Boot**, and **Spring Data JPA**, and architected a centralized administrative dashboard to efficiently manage student enrollment, subject mapping, and secure record updates.

ACHIEVEMENTS AND AWARDS

- Represented District in Division Level **“Throwball”** organized by Government of Karnataka in my class X.
- Completed JR Level Lessons In **“Tabla”** (Hindustani Classical Music instrument).
